Below and on the enclosed form PTO-1449 is a listing of documents believed relevant to the subject application. It is respectfully requested that these documents be considered by the examiner and an initialed copy of the form PTO-1449 be returned to the undersigned. Copies of the documents are enclosed herewith. Only the abstracts of the Japanese foreign patent documents were reviewed, therefore, only the abstracts are provided.

This disclosure statement should not be construed as a representation that a search has been made or that no other material information as defined in 37 C.F.R. § 1.56(a) exists. Some of the documents may have markings thereon. No significance is meant to be attached to the markings. These documents are not necessarily analogous art. The year of publication is sufficiently earlier than the effective U.S. filing date and any foreign priority date so that the particular month of publication is not in issue for those listed publications with only a year of publication provided.

It is believed that this disclosure complies with the requirements of 37 C.F.R. § 1.56, 1.97, and 1.98, and the Manual of Patenting Examining Procedures § 609. If for some reason the examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied.

The following United States patents which comprise said relevant documents, are as follows:
